II. The Articles of War numbered respectively, 3, 32, 73, 78, 82, 117, and 166 in the said Act XXIX of 1861, are hereby repealed, and in lieu thereof the following Articles of War shall be read and taken as Articles 3, 32, 73, 78, 82, 117, and 166 respectively, of the said Act XXIX of 1861:—

ARTICLE 3.

A Non-Commissioned Officer or Soldier shall be liable to dismissal or discharge by order of the Governor-General of India in Council, or of the Governor in Council, or the Commander-in-Chief of the Presidency to which he belongs; and the Commander-in-Chief shall have power to reduce any Non-Commissioned Officer to the ranks.

The Commanding Officer of a Regiment or Corps shall have power to dismiss or discharge any Soldier below the rank of a Non-Commissioned Officer, and to dismiss, discharge, or reduce to the ranks any Non-Commissioned Officer belonging to such Regiment or Corps.

Every such dismissal or discharge shall involve forfeiture of claim to pension.

No Non-Commissioned Officer shall be reduced to the ranks for any stated period; nor suspended from his rank; nor reduced from a higher to a lower grade of Non-Commissioned Officer.

Every Non-Commissioned Officer or Soldier discharged the service shall be furnished by the Commanding Officer of the Regiment or Corps to which he belonged with a discharge certificate in the Vernacular language of such Non-Commissioned Officer or Soldier. Such certificate shall express the authority for, and cause of, the discharge, and the period of the entire service in the Army of such Non-Commissioned Officer or Soldier, and shall be accompanied with an English transmission.

ARTICLE 32.

Who shall wantonly and intentionally defile any place dedicated to religious worship, or shall wantonly and intentionally insult the religious feelings of any person.

ARTICLE 73.

The Commander-in-Chief of the Presidency may appoint a General or other Court Martial, and may confirm, mitigate, or commute or remit the sentence of such Court. He may issue his Warrant to any General or other Officer under his command, having the command of any body of Troops in the service of Her Majesty, empowering such Officer to appoint District or Garrison Courts Martial, as occasion may require, for the trial of any offence committed by any Officer, or Soldier, or Follower in the Service of Her Majesty, not being a European British subject of Her Majesty; and to confirm and mitigate, or commute or remit the sentence of any such Court Martial. No sentence, adjudging or involving forfeiture of additional pay, or of claim to pension on discharge, or of any prospective advantage, shall be carried into effect until sanctioned by the Commander-in-Chief of the Presidency to which the offender belongs. The Commander-in-Chief may remit any forfeiture awarded, and may order the restoration of any advantage of which the offender has been deprived by such forfeiture.

ARTICLE 78.

A General Court Martial may sentence for any crime, which by these Articles is made liable to such sentence any Officer to death or to transportation for life, or for any period not less than seven years, or in cases falling under Article 22 or Article 66, to imprisonment, with or without hard labor, for any period not exceeding three years, and with or without solitary confinement; or may sentence any Soldier to death, or to transportation for life,

or for any period not less than seven years, or to imprisonment for any period not exceeding fourteen years, for any crimes which are by these Articles of War expressly made liable to any such sentence and for such crimes only. No Court Martial inferior to a General Court Martial shall have power to pass a sentence of death or transportation or imprisonment for any longer period than three years.

Punishment of Commissioned Officers.

A General Court Martial may sentence a Commissioned Officer to be dismissed the service; or to be suspended from rank and pay allowances for a stated period; or to be placed one or more steps lower in the list of his rank, by an alteration of the date of the Commission, and such Officer shall lose the corresponding benefit of length of service.

No Court Martial, inferior to a General Court Martial, shall have power to try a Commissioned Officer.

Punishment of Non-Commissioned Officers and Soldiers.

A General, or District, or Garrison, or Regimental Court Martial may sentence a Non-Commissioned Officer to be reduced to the ranks; or may sentence a Non-Commissioned Officer or Soldier to be dismissed the service; or to be placed one or more steps lower in the list of the rank which he holds, whereby such Non-Commissioned Officer or Soldier shall lose the benefit of the corresponding length of service; or to suffer corporal punishment not exceeding fifty lashes; or to imprisonment which may be with or without hard labor, and which may include solitary confinement for any portion or portions of such imprisonment, not exceeding fourteen days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement of not less duration than such periods of solitary confinement.

No Soldier shall be kept in solitary confinement more than eighty-four days in any one year, whether by the sentence of one or more Courts Martial, or by order of the Commanding Officer of the Regiment or Corps to which such Soldier belongs.

No sentence of imprisonment shall be awardable by a General Court Martial for any period exceeding two years (except when otherwise expressly provided); nor by a District or Garrison Court Martial for any period exceeding one year; nor by a Regimental Court Martial for any period exceeding six calendar months.

No Non-Commissioned Officer shall be sentenced to imprisonment or corporal punishment without being first reduced to the ranks.

Punishment for "Disgraceful Conduct."

A General, or District, or Garrison Court Martial may, in addition to corporal punishment or to imprisonment, sentence a Soldier convicted of disgraceful conduct to forfeiture of all advantage as to additional pay and claim to pension on discharge, which otherwise might have accrued from the length or nature of his former service; or to forfeiture of

such advantage absolutely, whether it may have accrued from past service, or might accrue from future service.

No Soldier shall be tried for disgraceful conduct by any Court Martial inferior to a District or Garrison Court Martial.

A Court Martial may, in addition to any punishment involving dismissal or discharge, sentence any Officer or Soldier, whom it is authorized to try, to forfeiture of arrears of pay and allowances due at the time of dismissal or discharge, or of such portion thereof as may be required to make good any loss or damage arising out of his misconduct.

A Court Martial, in addition to any punishment not involving dismissal or discharge, may sentence any Officer or Soldier to be put under stoppages not exceeding, in the case of an Officer, two-thirds of his pay and allowances, and in the case of a Non-Commissioned Officer or Soldier one-half of his pay and allowance until any loss or damage arising out of his misconduct be made good.

Every Soldier sentenced to confinement in the Quarter Guard or Detainer's Room, or in a Solitary Cell, or in any other place of imprisonment, shall forfeit all claim to pay and allowances during such confinement, and shall be entitled to receive subsistence only according to the rates laid down in the Regulations.

ARTICLE 82.

An Officer Commanding a Detachment of his own Regiment or Corps may assemble a Regimental Detachment Court Martial; and an Officer Commanding a Detachment, consisting of men of different Regiments or Corps, may assemble a Detachment or Joint Court Martial. Every Court so assembled shall be constituted in the manner provided for a Regimental Court Martial under the provisions of these Articles of War, and shall have the like powers.

The provisions of these Articles of War which relate to a Court Martial held in a Regiment or Corps shall, in all practicable cases, be taken to apply to a Court Martial held in a Detachment.

No Officer on detached command of less than three Troops or Companies, or of a Detachment not numerically equal to three Troops or Companies, and not being on the line of march or on board a ship or other vessel, shall carry into effect any punishment awarded by a Court Martial held by his order until the sentence shall have been confirmed by the Officer Commanding the Regiment or Corps to which the offender belongs, or by any other nearest Superior Officer holding a command of not less than a Regiment, who is hereby authorized to confirm every such sentence in like manner as an Officer Commanding a Regiment or Corps might do. Provided that in detached situations beyond the Sea, or out of the British Territories in India, or when on service in the field, or in cases where an immediate example is necessary, and reference cannot be made to such Commanding or Superior Officer without detriment to the service, the Officer Commanding such Detachment may exercise the powers which are vested in an Officer Commanding a Regiment or Corps.

Clause 2.

The Commanding Officer of any Detachment of not less than three Troops or Companies, or of any Detachment numerically equal to or greater than three Troops or Companies; and the Commanding Officer of any European Detachment to which native details are attached (of whatever strength or number such European Detachments or such native details may be); and any Commissary of Ordnance or other Commissioned Officer in charge of any Arsenal, Ordnance Establishment, or any Camp Equipage Depot, may summarily try any offence against these Articles of War, committed by any person under his command or who is subject to such Articles (not being a Commissioned Officer); and may on conviction sentence such offender and carry out such sentence without confirmation or any further authority; provided that such sentence shall not exceed the powers of a Regimental Court Martial.

In detached situations beyond the Sea, or out of the British Territories in India, or when on service in the field, or in cases where an immediate example is necessary, and a Court Martial cannot be convened under Clause 1 of this Article without detriment to the service, and reference cannot be made without such detriment to the Officer Commanding the Regiment or Corps to which the offender belongs, or to any other Superior Officer holding a command not less than that of a Regiment who is hereby, in case of such reference, authorized summarily to try, and in case of conviction to sentence the offender and to carry out such sentence under this Clause as if the offender had been under his command; the Officer Commanding any Detachment, though of less than three Troops or Companies or not numerically equal to three Troops or Companies, may exercise the powers, of summary trial, of sentencing the offender, and of carrying out such sentence described in this Clause.

Any Commanding Officer or other Officer holding a trial under this Article shall be deemed a Court Martial, and the words "Court Martial" in these Articles of War, shall be deemed to include such Commanding Officer or other Officer holding a trial.

The proceedings of such summary trial shall be conducted, so far as may be practicable, and shall be recorded in the same manner as is provided in Article 81 for summary trials by an Officer Commanding a Regiment or Corps, and shall, in like manner, be signed and forwarded to the Officer Commanding the Division within which such Detachment shall be at the time, who is hereby authorized to set aside the trial for the same reasons that an Officer Commanding a Division is authorized by Article 81 to set aside a trial by an Officer Commanding a Regiment or Corps. Provided that every sentence so awarded by an Officer Commanding any such Detachment or by any other Officer holding a trial under this Article may be carried out without waiting for its approval by the Reviewing Officer.

ARTICLE 117.

No person who shall have been acquitted or convicted by a Court Martial

No person to be tried a second time for the same offence. of any offence, shall be liable to be tried a second time by the same or any other Court Martial for the same offence. Provided that any person may be tried for the offence of murder, and

punished for that offence, notwithstanding he may have been tried and punished for the act which caused death, if at the time of his conviction for the said act death shall not have resulted, or shall not have been known by the Court which passed sentence to have resulted.

When any person subject to these Articles of War shall have been found guilty by a Court Martial of any Military offence, such Court Martial shall enquire into and receive evidence of any previous conviction of such person before a Court Martial or a Court of Justice, and shall enquire into the general character of such person, if a Soldier, for the purpose of apportioning the punishment to which he is liable to be sentenced for the offence of which he has been so found guilty. And it shall not be necessary to give any notice to such person, previously to his trial that such evidence will be received.

ARTICLE 166.

The Regulations by which in any Presidency the Office and powers of Commissariat Officers, or Officers in charge of the Police in any Cantonments, or Superintendents of Military Bazaars, are at present defined and controlled; or by which Panchayets are constituted and guided, shall continue to be in full force, and to be observed at the several Presidencies respectively.

111. This Act shall be read and taken as part of the said Act XXIX of 1861.

STATEMENT OF OBJECTS AND REASONS.

THIS Bill is intended to amend the Articles of War, Numbers 3, 32, 73, 78, 82, 117, and 166, as contained in Act XXIX of 1861, and is based on the recommendation of the Government of India in the Military Department. The accompanying papers shew the Articles as they stand in the Act, contrasted with the same Articles as proposed to be revised. The Bill takes the form of a repeal of the existing Articles, and the substitution for them, in Act XXIX of 1861, of new Articles of the same numbers. A shorter form might have been adopted, especially in respect of Article 78, but it would not have been so clear and practically useful to the Military Authorities.

In explaining the alterations, it will be convenient to follow the order of the Articles as mentioned in the accompanying papers, rather than the order in which they appear in the Bill.

Article 166.—Certain words in this Article, namely, the words, "or by which jurisdiction is given to Courts Martial over offences committed by persons amenable to the Articles of War, within certain limits beyond or around Cantonments," have effect in the Bombay Presidency alone, and appear to keep alive a Military jurisdiction under Regulation XXII of 1827 of the Bombay Code; whereas it was the undoubted intention of the Legislature, under Article 124 of Act XXIX of 1861, to provide that any offence committed by any Officer or Soldier within the jurisdiction of any Criminal Court in India, and triable by such Court, should be tried by such Court only. But these words in Article 166 appear to be inconsistent with that intention, and the Bombay Government desire the removal of all doubt by the omission of the words from Article 166, and the Military Authorities and

Government of Madras, as well as the Commander-in-Chief and the Supreme Government, assent to the omission. The Honorable Mr. Erskine has also suggested, with the approval of the Government of Bombay, the repeal of parts of Regulation XXII of 1827, and the whole of Regulation II of 1829, of the Bombay Code.

Article 82.—Considerable doubt seems to have arisen as to the real meaning and intention of this Article, chiefly with respect to the powers of Officers in Command of Detachments. The subject was fully considered by the Military Authorities at the different Presidencies, and a suggested form of amendment, which was circulated by the Government of India, was assented to. The principal effect of the amendment is to define distinctly what Commanding Officer is meant in the 4th paragraph of Article 82 of Act XXIX of 1861, which now stands at the commencement of Clause 2 of the amended Article, and to give summary powers to an Officer Commanding a Detachment in a situation beyond the Sea, or out of the British Territories in India, or when on service in the Field; or in cases of emergency. In the 3rd paragraph a clerical error, which appeared in the original Draft Articles sent from the Military Department in 1860, in all other copies of the Bill, and in Act XXIX of 1861, is corrected by the introduction of the word "not" before "numerically" in the 3rd line.

Article 73.—This Article is only altered by the words "no sentence adjudging or involving forfeiture of additional pay," being substituted for the words, "no sentence including forfeiture of additional pay," and the words, "sanctioned by the Commander-in-Chief," being substituted for the words "confirmed by the Commander-in-Chief." The reasons for these changes appear in the letter from the Adjutant-General, Fort Saint George, dated 20th March 1862, to the Secretary to the Government of India.

Article 78.—The only alteration in this long Article is the substitution of the word "sentenced" for "subjected," in the last paragraph. The reasons for this change appear in the same letter of the Adjutant-General of Fort Saint George.

Article 3.—The words, "and the Commander-in-Chief shall have power to reduce any Non-Commissioned Officer to the ranks," are added, on the suggestion of Sir Hugh Rose, as conveyed in the letter of Colonel K. Young, Judge Advocate-General, dated 9th May 1862.

Article 117.—The words, "and it shall not be necessary to give any notice to such person, previously to his trial, that such evidence will be received," are here substituted, at His Excellency's suggestion, conveyed in the same letter, for the words, "but no such evidence shall, in any case, be received until the Court shall have ascertained that such person had, previously to his trial, received notice of the intention to produce such evidence on the same." And it is hereby directed that such notice shall be given to all persons previous to trial. The reason for this change is stated in Colonel Young's letter. The notice of trial is, in fact, a notice that evidence of this description will be given.

Article 32.—The only other alteration is in this Article, and consists merely in the substitution of the term "Religious feelings" for "Religious prejudices." This change is in accordance with Section 298 of the Penal Code.

Extract from the Proceedings of the Government of India, in the Financial Department, under date the 2nd January 1863.

READ a Despatch from the Right Hon'ble the Secretary of State No. 193, dated the 25th November 1862.

RESOLUTION 1.—His Excellency the Governor General in Council is pleased to resolve that the following Extract from the Despatch mentioned above be published for general information:—

"The Memorials from the Covenanted Civil Servants of the several Governments in India on the subject of their retiring Annuities, and of the Pensions of their Widows and Orphans, together with your Financial letter, dated the 7th March 1862, No. 40, the Financial letter from Madras, dated the 8th February 1862, No. 2, the public letter from Bombay, dated the 12th April 1862, No. 18, and the several Minutes of Members of the respective Governments in India in reference thereto, have been considered by me in Council.

"It does not appear to be necessary to give a detailed reply to the observations of your Government, or to the requests contained in the several Memorials, as the result of the consideration by Her Majesty's Government of those observations and Memorials will be apparent from the decision which I have now to communicate.

"In regard to the period of service which is in future to be required as a qualification for an Annuity, Her Majesty's Government see no reason for altering the period of twenty-five years service and twenty-two years residence (including one year's sick leave if such has been taken as at present), but they cannot allow any future special leave of absence from India on private affairs to count as residence.

"No sufficient ground appears to have been assigned for increasing or altering the amount of the full Annuity, which must therefore remain at £1,000, or of the amount of the percentage of deduction from salaries which will continue at four per cent., the amount of subscriptions to accumulate, as at present, at six per cent. interest.

"Her Majesty's Government are of opinion that there is ground for making some alteration in the terms on which Annuities are granted, and they have decided that a Civil Servant who has completed the prescribed period of service and residence shall be granted by Government an Annuity of £600; and that he shall have the option of taking in addition an Annuity of the amount not exceeding £400, which his accumulated subscriptions with interests will purchase according to the Table now in force, or of adding to his subscriptions such a sum as will purchase an Annuity of any amount which, added to the £600 granted by Government, will not exceed the

full Annuity of £1,000. They have also decided that Annuities, without limitation as to number, may be granted on application, at any time, to Covenanted Civil Servants who have completed the prescribed periods of service and residence and whose resignations of the Service have been accepted, and that those Civil Servants who have obtained Annuities since the Memorials were sent in be admitted from this date to the benefit of the arrangement now sanctioned.

"It must be clearly understood that in the event of the death of a Subscriber his accumulated subscriptions will lapse, and that no refund of subscriptions can, under any circumstances, be allowed.

"Her Majesty's Government are also disposed to make some provision for Covenanted Civil Servants who, having devoted a portion of their lives and energies, and especially those years during which men qualified for a profession to the service of Government, are deprived of the fruits of their labor by sickness which may compel them to resign the Service before they have become entitled to an Annuity. In any such cases, when clearly proved by a Medical Certificate, the following Pensions may be granted :—

If under five years service a grant of £500.

Of five years service and under ten an Annuity of £150.

Of ten years service and under fifteen any Annuity of £250.

Of fifteen years service and under twenty an Annuity of £350.

Of twenty years service and under twenty-five an Annuity of £450.

"Her Majesty's Government are willing to sanction the payment of all the Annuities quarterly and to the date of decease with the same option as to payment in India or England as at present."

2. His Excellency in Council is also pleased to direct the publication of the following paragraphs of the same Despatch containing Orders regarding the claim to assistance from the State preferred by the Bengal Civil Fund, the Madras Civil Fund (Charity Branch), and the Bombay Civil Fund (Provident Branch) :—

"Her Majesty's Government have no intention of withdrawing the aid which has been hitherto granted, and they see no reason for increasing it. If the Subscribers prefer it there would apparently be no objection to granting, in lieu of the present indirect aids, an annual sum equal to the average of the donations during the past five years, the future interest on the balance of the Funds being in that case fixed at five per cent., and the remittance of the sums required by the Funds in England being made at the same rate of exchange as that fixed annually for the adjustment of transactions with the British Exchequer.

"There can be no objection to the Government of Madras and Bombay, respectively, for the information and guidance of those Governments."

EXTRACT from the Proceedings of the Government of India, in the Financial Department, dated 3rd January 1863.

Read again the undermentioned papers regarding the grant of Deputation Allowance to Acting Police Officers in Oude and British Burmah:—

Letter from Officiating Civil Pay Master, Fort William, No. 7, dated the 20th May 1862.

Letter from Officiating Civil Pay Master, Fort William, No. 3853, dated the 11th June 1862.

Extract, Home Department, No. 2497, dated the 17th May 1862.

Order, No. 3860, issued from this Department on the 5th June 1862.

Letter from the Honorary Secretary to the Committee of Secretaries, dated the 19th July 1862.

Resolution, No. 628G, passed in this Department on the 30th September 1862.

Read Endorsement from the Home Department, No. 4504, dated the 25th August 1862, forwarding, for favorable consideration, a recommendation from the Chief Commissioner of British Burmah, that a Superintendent of Police, acting for another in a higher grade, may be permitted to draw deputation allowance.

RESOLUTION.—The Rule which, in those Departments of administration where appointments of the same class and title are sub-divided into grades of different rank and pay, prohibits the grant of deputation allowance to an Officer acting in a higher grade of his own class was originally introduced, His Excellency the Governor General in Council observes, to meet the cases of Deputy and Assistant Commissioners in Non-Regulation Provinces, and, in the absence of any special Rule, it has been hitherto made applicable to District Superintendents and Assistant Superintendents of Police. But, considering the superior salaries and prospects of Deputy and Assistant Commissioners, and the hardships which generally attend the application of the class rule to Police Officers, His Excellency in Council is pleased to decide that all Superintendents and Assistant Superintendents of Police, when acting in higher grades of the class to which they may in their substantive appointments belong, shall receive deputation allowance.

2. In continuation of this subject, His Excellency in Council is hereby pleased to direct that in all Presidencies and Provinces to which Act V. of 1861 has been extended, the same Rule of limitation shall be observed, which, by Resolution dated 30th September last, was laid down for Oude, viz., that the allowances of an Assistant Superintendent of Police acting for a Superintendent shall in no case be allowed to exceed the salary of a Superintendent of the lowest grade.

ORDERED, that a copy of the foregoing Resolution be forwarded to the Home Department for information and further orders, with a copy of the papers received from that Department under Endorsement No. 4504, dated the 25th August 1862.

No. 2G.

Ordered also, that a copy of the above Resolution be forwarded, for information and guidance, to the Civil Pay Master, North-Western Provinces.

Ordered further, that the above, and the Resolution No. 628G, passed in this Department on the 30th September last, be published for general information in the *Government Gazette*, and that copies thereof be forwarded, for information and guidance, to the Foreign Department, and the—

Governments of Madras, Bombay, Bengal, the North-Western Provinces, and the Punjab.

Civil Pay Masters in Bengal, Madras, Bombay, and the Punjab.

No. 628G.

Resolution dated 30th September 1862.

The Chief Commissioner of Oude represents that when an Assistant Superintendent of District Police in that Province is appointed to officiate for a Superintendent of the first or second grade, he sometimes draws, under existing Rules, a deputation allowance which raises his total emoluments above those of third or fourth grade Superintendents.

His Excellency the Governor General in Council observes that, as the grades of salaries in the Oude Police are personal, not local, an Assistant Superintendent on his first promotion to a Superintendency would receive no more than the salary attached to the lowest grade. To allow him to draw a higher salary when only officiating as Superintendent would be anomalous, and would place the permanent Superintendents in lower grades in a disadvantageous position.

His Excellency in Council is therefore pleased to direct that the allowances of an Assistant Superintendent of Police in Oude, appointed to officiate as Superintendent, shall not exceed the salary attached to the lowest grade of Superintendent.

Woodcock, who are acting as Superintendents of Police in Oude, and enquiring whether the Rule under which, when appointments are divided and subdivided into classes and grades, an Officer acting in a higher grade of his own class is refused deputation allowance, should be maintained in the cases of a Military Officer officiating for another, and entitled to acting allowances or full pay under Military Rules.

2. In reply, I am desired to inform you that the cases of Lieutenants E. M. and H. T. Woodcock are met by the Resolutions noted in the margin, and to observe that the class Rule to which you refer is intended to supersede the Military Regulations in all cases, except those of Police Officers, to which, under the orders abovementioned, the Rule does not apply.

LEGISLATIVE.

THE following Report of a Select Committee was presented to the Council of the Governor General of India for the purpose of making Laws and Regulations on the 7th January 1863:—

HOME DEPARTMENT.

LEGISLATIVE.

WE, the undersigned, the Members of the Select Committee of the Council of the Governor General of India for the purpose of making Laws and Regulations, to whom the Bill to define the jurisdiction, and to regulate the Procedure of the

Courts of Civil Judicature in British Burmah, and to provide for the extension of certain Acts to the said Territory was referred, have the honor to report that we have considered the Bill and the papers mentioned in the margin.

We think that some modifications may be made in Section VII, with the view of limiting a second appeal to the Divisional Commissioner to cases in which the decision of the Court below may appear erroneous, or deserving of further consideration, on a point material to the merits of the case. We also recommend that provision be made for copies of the judgment appeal-

1. Resolution, Foreign Department, dated 4th November 1862.
2. From Officiating Under-Secretary, Government of India, Foreign Department, to Commissioner of Pegu, dated 4th November 1862.
3. Statement of Appeal and Original Suits.
4. From Secretary to Chief Commissioner, British Burmah, to Secretary, Government of India, Foreign Department, dated 29th March 1862.
5. From Secretary, Government of India, Home Department, to Chief Commissioner, British Burmah, dated 25th April 1862.
6. From Ditto, to Advocate General, dated ditto, and enclosure.
7. Opinion of Advocate General, dated 5th July 1862.
8. From Chief Commissioner, British Burmah, to Secretary, Government of India, Foreign Department, dated 21st July 1862.
9. From Secretary, Government of India, Home Department, to Chief Commissioner, British Burmah, dated 20th August 1862.
10. From Secretary, Chief Commissioner, British Burmah, to Secretary, Government of India, Home Department, dated 18th September 1862, and enclosure.

and against being filed,

an appeal by a Commissioner having the effect of a confirmation of a decree of the Court below.

This Section, therefore, we recommend should be passed in the following form:—

"The Court of the Commissioner shall have power to hear and determine appeals from the original decisions, and where an appeal is allowed by the Code of Civil Procedure, or by this Act, from the orders passed by the Courts of the Deputy Commissioners in the Division of such Commissioner. The Commissioner may also receive a second appeal from the decisions of the Courts of the Deputy Commissioners in his Division, passed in regular appeal, reversing or modifying the decision of the Court of original jurisdiction on a point material to the merits of the case, if on a perusal of the grounds of appeal and of the judgments of the Courts below, copies of which judgments shall be filed with the petition of appeal, a further consideration of the case shall appear to him to be requisite for the ends of justice. The decision of the Commissioner on such second appeal, whether for confirming, modifying, or reversing the decision of the lower appellate Court, shall be final, and no special appeal shall be allowed in such case to the Chief Commissioner from the decision either of the Deputy Commissioner, passed in regular appeal, or of the Commissioner of the Division passed on such second appeal. The rejection of an appeal by the Commissioner on a second appeal shall have the same effect as a confirmation of the decree of the lower Court."

In Section VIII we recommend that the words "and in Section XVIII of this Act" be inserted after the word "Section" in line 4.

Major Sparks in his Memorandum, dated the 12th September 1862, adverts to a point on which he considers some modification of the Code of Procedure, as regards the hearing of appeals in British Burmah, desirable. He says "in my former remarks I abstained from noticing one point in which, in my opinion, the Bill might be materially improved. I did so because I left a diffidence in proposing a return to an old practice which the Legislature, doubtless for some good reason unknown to me, abrogated in passing Act VIII of 1856. I mean the power of an Appellate Court to confirm a decree without summoning the respondent. Every

"day, however, strengthens my conviction of the hardship the present law inflicts upon many suitors in this province; and as the Government is about passing an exceptional Act specially adapted to the peculiar circumstances of British Burmah, I consider that I ought to take the opportunity of bringing this subject to notice. I have several times already had appeals from the Districts of Prome and Tounghoo, not to mention the others, where there were no grounds for appeal whatever, nevertheless I have been obliged to delay the decision of the case until a notice could be served on the respondent and a return to it received; this alone, in cases from Tounghoo, occupies from a month to six weeks. In many cases the respondents, not knowing how to appoint a pleader of my Court to appear for them and fearing that if they fail to appear they may lose their cause, have come down themselves all the way to Rangoon, at a fearful expense and loss of time, merely to be told that the appellant's appeal is groundless, and they may go back again. In other cases they have retained pleaders of my Court to appear for them, but as the pleaders always in small cases demand more than the fee allowed to be charged as costs of suit, the respondent does not recover from the appellant nearly the amount the appeal has cost him. Most of the appeals before me are in suits for land, the value of which at a year's tax is generally under 50 Rupees, the pleader's fee allowed as cost of suit upon this sum is 2 Rupees, whereas a respondent retaining a pleader of my Court would certainly not have to pay the most moderate of them less than 25 Rupees, and the greater number of them much more. The difference in this case between 2 Rupees and the sum paid to the pleader would be a dead loss to the respondent."

Concurring with Major Sparks, we recommend that the following Section be introduced as Section XV:—

"In cases of appeal preferred to a Deputy Commissioner under Section VI, or to a Commissioner under Section VII of this Act, it shall not be necessary to summon the respondent in the first instance, and if upon the perusal of the judgment of the Court below of the whole or any part of the record of the original suit, and of the petition of appeal in the presence of the appellant, or of his duly constituted agent, the Deputy Commissioner or the Commissioner, as the case may be, shall see no reason to alter the decision appealed from, it shall be competent to him to confirm the same, recording his reasons for rejecting the appeal. In such case the Deputy Commissioner or the Commissioner shall cause the order for confirmation to be made known to the respondent through the Court from whose decision the appeal was made."

In Section XVI of the Bill, we recommend the substitution, in line 5, of the words "Section XIV" for "the last preceding Section."

The Chief Commissioner and Major Sparks concur in recommending certain modifications of Act XIV of 1859 (the Limitation Act) on its extension to Pegu under Section XXIV of the Bill. The first point to which they advert is

Clause 18 of Section I, relative to the limitation of time to enforce the right to share in family property. The custom of Pegu, as stated by Major Sparks, is to make family arrangements for the cultivation of ancestral property by the heirs in turn, or by the payment of separate portions by a cultivator to the heirs, and these arrangements continue for many years.

Major Sparks therefore fears that the limitation of twelve years provided by Clause 18 would cause a revolution in the law affecting immoveable property, and the Chief Commissioner concurs with him in recommending "the retention of the law on this head laid down in Section 60 of the Civil Code of Pegu," which provides that "land which has remained in the possession of the descendants of the original proprietor without being divided may be made the subject of a suit among the co-heirs for division without limitation of time."

We observe that the period of twelve years, to which objection is made, would run only from the commencement of a cause of action. So long as property remained "in the possession of the descendants," according to the terms just quoted, there would be no cause of action; but if any right of one of the descendants were invaded or infringed in violation of the family arrangement, or otherwise, a cause of action would arise; and we do not think that the period of twelve years limited by Clause 18 of Section I of Act XIV, for the commencement of a suit, would in such a case be too short.

The second point is the limitation by Clause 15 of Section I of Act XIV of 1859, of thirty years in the case of moveable, and sixty years in the case of immoveable, property deposited, pawned or mortgaged. Major Sparks states that, under the Pegu Revenue Code, Rule 5, Section XV "land which has been mortgaged, with possession to the mortgagee, without specification of time, and not redeemed for twelve years, becomes at the expiration of twelve years the absolute property of the mortgagee." In order to obviate injustice in respect of rights that may have been acquired under this Rule, we recommend the addition to Section 24 of the following words:—"Provided also that Clause 15 of Section I of the said Act XIV of 1859 shall not apply to any claim to foreclosure arising under any deed or instrument of mortgage of immoveable property in Pegu executed before the date aforesaid, but every such claim arising under any such deed shall, so far as the law of limitation is concerned, be governed by the laws or rules of limitation now in force in that Province."

We recommend that the 1st May 1868 be inserted in the last Section of the Bill as the period for it to come into operation, and with this amendment we recommend that the Bill be passed.

The Chief Commissioner and Major Sparks recommend that the Chapter on Insolvency in Major Sparks' Code be retained in use. But we are not prepared to recommend that this important subject should be dealt with in the present Bill. The Code of Civil Procedure contains provisions under which the Courts can give judgment in certain circumstances to indicate judgment debtors; and we think that the expansion of these provisions into an Insolvency Law will require an

mature consideration, and that any Insolvent Law which may be passed should not be confined in its operation to British Burmah.

WE the undersigned, the Members of the Select Committee of the Council of the Governor-General of India for the purpose of making Laws and Regulations, to whom the Bill to regulate the admission of Appeals to Her Majesty in Council from certain judgments and orders in Provinces not subject to the general Regulations was referred, have the honor to report that no communication has been received on the subject of the Bill.

The only amendments we have to suggest are in Section VI. We recommend that the words "decree or order" in line 9, be substituted for the words "decree, order or sentence," and that the words "judgment, decree or order" be substituted for the words "judgment or determination" in line 13.

We recommend that the Bill be passed with these amendments.

VI. As soon as the elections shall be completed, the Sheriff or his Deputy shall publicly, at the place of election, ascertain the names of the persons for whom votes shall have been given, and the number of votes given to each person, and shall also ascertain for what term of Office each voter shall have voted; and he shall thereupon publicly declare the names of the several persons for whom votes shall have been given, and the number of votes given for the said terms of one, two, or three years respectively; and he shall declare that the persons not exceeding three, for whom the greatest number of votes, exceeding ten, shall have been given, are duly elected Municipal Commissioners of the Station; and that the term of their holding Office is the term of years in favor of which the greatest number of votes shall have been given, if such number of votes shall exceed ten. If such greatest number shall not exceed that number, he shall make no declaration as to the term of holding Office.

VII. In case there shall be an equal number of votes for any two or more terms of service, or in case the highest number of votes given for the term which has most votes shall not exceed ten, the Governor, or in his absence from the Station at which such election is being held, the Resident Councillor, shall declare for which of the said terms of service the elected Commissioners shall hold Office.

VIII. Every Commissioner appointed under the provisions of Sections XV, XVI, and XVII of the said Act XXVII of 1856, shall serve for the term or the residue of the term, as the case may be, which shall have been declared as aforesaid by the voters, or by the Governor on their failure to do so.

IX. The names of the elected persons and the term of service ascertained and declared by the Sheriff or his Deputy as aforesaid shall forthwith, after the election, be certified by him to the Resident Councillor of the Station.

X. The names of the appointed and elected Commissioners and of the term or terms (as the case may be) of Office shall be published in such manner as the Governor may direct.

XI. This Act shall be read and taken as part of the said Act XXVII of 1856.

STATEMENT OF OBJECTS AND REASONS.

On the representation of the Municipal Commissioners of Singapore supported by the Governor of the Straits Settlement, the Government of India consented to the preparation of a Bill for amending the Municipal Act XXVII of 1856 (*for appointing Municipal Commissioners, and for levying rates and taxes, in the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca*) in respect of the period for which the Municipal Commissioners in the Straits Settlement hold Office. By Order of the Board of Revenue,

J. P. GRANT,

Offg. Junior Secretary.

FORT WILLIAM,
The 2nd January 1863.

No. 20.

Notice.

It is hereby notified, that the following Rules for the issue of Excise Licenses to manufacture Salt have been approved by the Lieutenant Governor of Bengal, and that they must be held

to supersede the Excise Rules, dated 25th September 1854, heretofore in force.

By Order of the Board of Revenue,

J. P. GRANT,

Offg. Junior Secretary.

FORT WILLIAM,
The 9th January 1863.

Amended Excise Rules.

LANDS which have been in occupation of the Salt Department, and which are not required for the Government manufacture of 1260 S. S. (1862-63), will be available to parties willing to take out License for the manufacture of Salt under the Excise system on the following terms:—

RULE I.—Lands suitably situated will be divided into convenient allotments and leased at fair market rates to licensed Manufacturers engaging to manufacture not less than maunds 10,000 of Salt per annum. Any number of allotments may be assigned to a single individual on his satisfying the Board of Revenue of his ability and *bona fide* intention to work them. The rent of the lands must be paid, half at the beginning and half at the end of the season.

II. Licenses will be similarly given to persons wishing to establish the manufacture on private lands, should the proposed site be approved by the Executive Department.

III. The supervision of the manufacture will be entrusted to the Superintendent of Salt Chowkeys, assisted by an Establishment, whose duty it will be to take an account of the daily manufacture of each Khalary and to prevent mal-practices. The cost of any extra or special preventive Establishment required to watch the works during the manufacturing season must be borne by the Manufacturers.

IV. Applicants before receiving their Licenses will be required to bind themselves to accept and abide by the conditions embodied in these Rules, for breach of which the License of the party offending will be liable to immediate withdrawal, and in the event of smuggling, or connivance at smuggling, being proved against the Manufacturer, or his duly authorized Agent, the whole of the Salt manufactured or stored by him will be liable to confiscation.

V. Manufacturers must store their Salt in their own Golahs, whether on the Aurungs or elsewhere, the site being subject to the approval of the Excise Preventive Department. Excise Establishments will be appointed by Government to the supervision of these Golahs at the charge of the Manufacturers. Every Golah used for the storage of Salt must be licensed in the same manner that private Warehouses for bonding imported goods are licensed.

VI. When Salt is to be removed for the purpose of being stored in the Golahs it must be packed for transport in the presence of one of the Supervisor's Officers. It will then be transported to the Golahs, by a certain prescribed route, under Passes specifying the estimated quantity. The Passes will be numbered and signed and the boats passed by the Aurung Assistant, who will keep a Register of the Passes. On arrival at the Golahs the despatch will be examined by the Officer in charge of the Golahs, the condition of the stamps noted, and the Pass registered. The Salt will then be weighed into store, and the result of the weighment entered in the Pass

Register as well as in the Store Account to be kept by the Golah Darogah. The expense of weighing the Salt into store will be borne by the Manufacturer.

VII. Each Manufacturer's Salt will be piled in a separate heap and stamped with his own stamp. When a whole Golah is stored with Salt of a single Manufacturer, the Golah will be secured with two locks, one key being kept by the Manufacturer and the other by the Golah Darogah. When a Golah contains the Salt of more than one Manufacturer, one key will be kept by the Golah Darogah and the other by the person in whose name the Warehouse is licensed.

VIII. The Register of Passes kept by the Aurang Assistant and the Officer in charge of the Golahs will be carefully compared by the Superintendent, for which purpose extracts will be sent to him weekly, and if any despatch be not duly accounted for, or if any despatch appear to be tampered with, and the quantity received at the Depot from such despatch be deficient, no Salt belonging to the same owner will be allowed to be delivered from the Depot until the duty chargeable on the deficient quantity shall have been made good.

IX. When a Golah, or one or more Golahs belonging to the same Manufacturer have been stored with Salt, the Manufacturer will enter into a Bond for the amount of duty and charges leviable upon such Salt, and shall further bind himself to pay without objection any penalty duty which may be adjudged against him on account of excess or deficiency of Salt found in his Warehouse under Rule XII. and Rule XIII. And the owner of Salt bonded in this manner may, on application to the Board of Revenue, be permitted to remove the same from one licensed Warehouse to another. No Bond shall be taken for a period exceeding thirty months.

X. The Excise Officers in charge of the Golahs must be allowed at any time to enter the Golahs after giving one hour's notice to the owner of the Salt, in order that he may have some one in attendance on his behalf.

XI. Salt will be delivered to purchasers from the Golahs on the production of Permits, to be obtained from the Office of the Board of Revenue, which will be granted for the protection of the Salt in the same manner as in the case of Salt imported by Sea, that is to say, on the production of receipts for the full amount of duty leviable thereon. Payment of Excise Duty must be made into the Bank of Bengal, or such local Treasuries as the Board may from time to time permit. No Rowanah, or Permit, will be issued for a less quantity than fifty maunds in the case of Salt sold from Warehouses on the manufacturing tracts. The weighment on delivery must be made in the presence of the proper Preventive Officer, and the Permit must be endorsed by the Aurang Assistant. When any quantity of Salt is removed from a Bonded Warehouse licensed under these Rules, the Preventive Officer in charge of the Warehouse shall cause to be noted on the back of the Bond the quantity removed, whether for clearance or transfer to another Warehouse, date of removal, name of the person removing it, the number and date of the Permit or Transfer Pass upon which it has been removed.

XII. Duty on Salt stored in any Warehouse licensed under these Rules shall be levied on the quantity registered at the time of storage. Pro-

vided that if at the time of clearing any Salt for a licensed Warehouse it shall appear that a deficiency exists, an allowance on account of wastage shall be made in adjusting the duty thereon to an extent not exceeding $2\frac{1}{2}$ per cent, or such other rate as may hereafter be prescribed on this behalf by the Local Government.

XIII. If any Salt lodged in a licensed Warehouse shall be found to be deficient at the time of delivery therefrom beyond the allowances provided in the last preceding Rule, or if the Salt be found to exceed the quantity registered, and if such deficiency or excess be not accounted for to the satisfaction of the Board of Revenue, the Board shall be entitled to recover on the Bond a penalty duty equal to five times the ordinary duty chargeable on the quantity of Salt thus found to be deficient or in excess, or, if the Board prefer it, a sufficient quantity of the Salt may be detained and sold after ten days in satisfaction of any duties, penalty duties, or charges leviable under these Rules.

XIV. The Salt of each year's manufacture will be kept separate, in order that the accounts of each year's store may be duly made up.

XV. The manufacture will be closed on or before the 31st May, and no Salt can be left unstored in the Aurang later than the 15th June. Any Salt so remaining after that date will be liable to be destroyed by the Supervisor's Officers.

J. P. GRANT,
Offg. Junior Secretary,
Board of Revenue.

LEGISLATIVE.

The following Act of the Governor General of India in Council received the assent of His Excellency the Governor General on the 15th January 1863, and is hereby promulgated for general information:—

Act No. I of 1863.

An Act to define the jurisdiction and to regulate the procedure of the Courts of Civil Judicature in British Burmah, and to provide for the extension of certain Acts to the said Territory.

Whereas it is expedient to define the limits of the jurisdiction of the Courts of Civil Judicature in British Burmah; and whereas it is also expedient that the Code of Civil Procedure should have effect throughout British Burmah subject to certain alterations and provisions, and that provision should be made for extending the operation of certain Acts to the said Territory; It is enacted as follows:—

I. The Code called the Civil Code of the Province of Pegu is hereby repealed.

II. There shall be six grades of Courts in British Burmah, which shall be Courts in addition to any Recorders' Courts, Courts of Small Causes, or other Courts established under any Act which may be hereafter passed, namely:—

1. The Court of the Extra Assistant of the third class, or the Myooke's Court.
2. The Court of the Extra Assistant of the second class, or the Tseekey's Court.
3. The Court of the Assistant Commissioner, and the Court of the Extra Assistant of the first class.
4. The Court of the Deputy Commissioner.
5. The Court of the Commissioner, and
6. The Court of the Chief Commissioner.

III. The Court of the Extra Assistant of the Jurisdiction of third class, or the Myooke's Court of Extra Assistant of 3rd class, shall have power to receive, try, and determine suits of every description not exceeding 500 Rupees in value or amount.

IV. The Court of the Extra Assistant of the Jurisdiction of second class, or the Tseekey's Court of Extra Assistant of 2nd class, shall have power to receive, try, and determine suits of every description not exceeding 8,000 Rupees in value or amount.

V. The Court of the Assistant Commissioner and the Court of the Extra Assistant of the first class shall have power to receive, try, and determine suits of every description not exceeding 5,000 Rupees in value or amount.

VI. The Court of the Deputy Commissioner shall have power to receive, try, and determine suits of every description exceeding 5,000 Rupees in value or amount, and appeals from the decisions, and, where an appeal is allowed by the Code of Civil Procedure, from the orders of the Courts of the Extra Assistants of the third class or the Myooke's Courts, of the Courts of the Extra Assistants of the second class or the Tseekey's Courts, and of the Courts of the Assistant Commissioners and Extra Assistants of the first class, in the District of such Deputy Commissioner.

VII. The Court of the Commissioner shall have power to hear and determine appeals from the original decisions, and, where an appeal is allowed by the Code of Civil Procedure or by this Act, from the orders passed by the Courts of the Deputy Commissioners in the Division of such Commissioner. The Commissioner may also receive a second appeal from the decisions of the Courts of the Deputy Commissioners in his Division passed in regular appeal, reversing or modifying the decision of the Court of original jurisdiction, on a point material to the merits of the case if on a perusal of the grounds of appeal and of the judgments of the Courts

below, copies of which judgments shall be filed with the petition of appeal, a further consideration of the case shall appear to him to be requisite for the ends of justice. The decision of the Commissioner on such second appeal, whether for confirming, modifying or reversing the decision of the lower Appellate Court, shall be final, and no special appeal shall be allowed in such case to the Chief Commissioner from the decision either of the Deputy Commissioner passed in regular appeal, or of the Commissioner of the Division passed on such second appeal. The rejection of an appeal by the Commissioner on a second appeal shall have the same effect as a confirmation of the decree of the lower Court.

VIII. The Court of the Chief Commissioner shall, except as provided in the last preceding Section and in Section XVIII of this Act, have power to hear and determine special appeals from the decisions passed in regular appeal by the Deputy Commissioners and by the Commissioners of Divisions.

IX. Every suit shall be instituted in the Court of the lowest grade competent to try it.

X. It shall be lawful for the Deputy Commissioner to withdraw any suit instituted in any Court subordinate to such Deputy Commissioner, and to try such suit himself or to refer it for trial to any other Court subordinate to his authority and competent, in respect of the value of the suit, to try the same. And it shall be lawful for the Chief Commissioner, or for the Commissioner of a Division, to order that the cognizance of any suit or appeal which shall be instituted in any Court subordinate to such Chief Commissioner or Commissioner shall be transferred to any other Court subordinate to his authority and competent, in respect of the value of the suit or appeal, to try the same.

XI. If the suit be for land or other immoveable property situate within the limits of different Districts within the same Division, the suit may be brought in any Court otherwise competent to try it within the jurisdiction of which any portion of the land or other immoveable property in suit is situate, but in such case the Court in which the suit is brought shall apply to the Commissioner of the Division for authority to proceed with the same. If the suit is brought in any Court subordinate to the Court of the Deputy Commissioner, the application shall be submitted to the Commissioner of the Division through the Deputy Commissioner to whom such Court is subordinate.

XII. If the Districts within the limits of which the property is situate are subject to different Commissioners, the application shall be submitted to the Commissioner to which the District in which the suit is brought is subject, and the Commissioner to which such application is made may, with the concurrence of the Commissioner to which the other District is subject, give authority to proceed with the suit.

XIII. Except when otherwise provided in any Regulation or Act for the time being in force an appeal shall lie from the decisions of the Courts of original jurisdiction to the Courts authorized by this Act to hear appeals from the decisions of those Courts.

XIV. The Memorandum of appeal prepared in the form, and containing the particulars mentioned in the Code of Civil Procedure, shall be presented in the Court empowered to hear the appeal within the period hereinafter specified, unless the appellant shall shew sufficient cause to the satisfaction of such Court for not having presented the Memorandum of appeal within such period, that is to say, within thirty days if the appeal lie to the Court of a Deputy Commissioner, and six weeks if the appeal lie to a Commissioner of a Division. The period shall be reckoned from and exclusive of the day on which the judgment appealed against was pronounced, and also exclusive of such time as may be requisite for obtaining a copy of the decree from which the appeal is made. Appeals from orders, when such appeal is allowed by the Code of Civil Procedure or by this Act, shall be presented within the same period as appeals from decisions.

XV. In cases of appeal preferred to a Deputy Commissioner under Section VI, or to a Commissioner under Section VII of this Act, it shall not be necessary to summon the respondent in the first instance, and if, upon the perusal of the judgment of the Court below, of the whole or any part of the record of the original suite, and of the petition of appeal in the presence of the appellant or of his duly constituted agent, the Deputy Commissioner or the Commissioner, as the case may be, shall see no reason to alter the decision appealed from, it shall be competent to him to confirm the same, recording his reasons for rejecting the appeal. In such case the Deputy Commissioner or the Commissioner shall cause the order for confirmation to be made known to the respondent through the Court from whose decision the appeal was made.

XVI. Applications for a second appeal under Section VII of this Act shall be preferred in the manner and within the period prescribed in Section XIV for regular appeals to the Commissioner of a Division, and if the Commissioner shall see fit to admit any such second appeal it shall be heard and determined in every respect as an ordinary regular appeal.

XVII. Applications for the admission of a special appeal which the Chief Commissioner is empowered by Section VIII of this Act to receive and determine may be on any of the grounds specified in Section 372 of the Code of Civil Procedure. The application shall be presented within ninety days reckoned from, and exclusive of, the day on which the judgment of the lower Appellate Court was pronounced, and also exclusive of such time as may be requisite for obtaining a copy of the decree appealed against, unless the appellant shall shew sufficient cause to the satisfaction of the Chief

Commissioner for not having presented the application within such period. The application shall be subject to all the conditions, whether as regards Stamp duty, remission of a portion thereof when the application is made in *formd pauperis*, or otherwise, contained in the said Code in cases of application for the admission of a special appeal to the Sudder Court.

XVIII. No special appeal shall lie from any decision or order which shall be passed in regular appeal by any Court after the passing of this Act in any suit of the nature cognizable in Courts of Small Causes under Act XLII of 1860 when the debt, damage, or demand for which the original suit shall be instituted shall not exceed the sum of five hundred Rupees.

XIX. If in any case of regular appeal in which under the last preceding Section no special appeal is allowed, or in any case of second appeal admitted under Section VII of this Act, any question of law or usage having the force of law or the construction of a document affecting the merits of the case shall arise, on which the Court trying the appeal shall entertain reasonable doubts, the Court may, either of its own motion, or on the application of either of the parties to the appeal, draw up a statement of the case, and submit such statement, with its own opinion, for the decision of the Chief Commissioner. The provisions contained in Sections 29 to 84 of Act XXIII of 1861 (*to amend Act VIII of 1859, for simplifying the procedure of the Courts of Civil Judicature not established by Royal Charter*) shall be applicable to the statement so submitted, and the Chief Commissioner shall proceed in the case under the rules contained in the said Sections for the direction of the Sudder Court so far as the same are applicable.

XX. Applications to be allowed to appeal in *formd pauperis* shall be written on Stamp paper of the value of one Rupee if the appeal lie to the Court of the Deputy Commissioner, and on Stamp paper of the value of two Rupees if the appeal lie to the Court of the Commissioner or to the Court of the Chief Commissioner, and shall be presented in the Court competent to receive the same within the period prescribed by this Act for the presentation of appeals from decisions, or when the application is made to the Chief Commissioner within the period prescribed by this Act for the presentation of an application for the admission of a special appeal.

XXI. Any person considering himself aggrieved by a decree of a Court of original jurisdiction from which no appeal shall have been preferred to a superior Court, or by a decree passed in appeal from which no second or special appeal shall have been admitted, or by a decree of the Court of the Chief Commissioner from which either no appeal shall have been preferred to Her Majesty in Council, or an appeal having been preferred no proceedings in the suit shall have been transmitted to Her Majesty in Council, and who, from the discovery of any matter or evidence which was not within his knowledge, or could not be adduced by him at the time when such decree

was passed, or from any other good and sufficient reason, may be desirous of obtaining a review of the judgment passed against him, may apply for a review of judgment by the Court which passed the decree. Such application shall be presented within the period of ninety days from

the date of the decree sought to be reviewed, unless the applicant shall shew good and sufficient reason for not presenting it within such period.

XXII. Act XIX of 1841 (*for the protection of moveable and immoveable property against wrongful possession in cases of successions*),

Act XL of 1855 (*for making better provision for the care of the persons and property of Minors in the Presidency of Fort William in Bengal*), and Act IX of 1861 (*to amend the law relating to Minors*) are hereby extended to British Burmah. All cases or proceedings arising under

the said Acts, or under Act XXXV of 1858 (*to make better provision for the care of the estates of Lunatics not subject to the jurisdiction of the Supreme Court of Judicature*) or Act XXVII of 1860 (*for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons*) shall be received and determined by the Deputy Commissioner of the District subject to the provisions in the said Acts contained respectively as to

jurisdiction and otherwise. All orders passed by the Deputy Commissioners in such cases or proceedings shall be open to appeal to the Commissioner of the Division provided that no such appeal shall be allowed unless it be presented within thirty days from the date of the order appealed against, or unless the party making the appeal can shew good and sufficient cause to the satisfaction of the Commissioner for not presenting the appeal within such period. The order of the Commissioner on any such appeal shall be final.

XXIII. Except as is in this Act otherwise provided, the proceedings in Civil suits of every description between party and party brought in the Courts of Civil Judicature in British Burmah mentioned in Section II of this Act shall be regulated by the said Code of Civil Procedure, and, except as otherwise provided by this Act or by any Law which may hereafter be passed, by no other Law or Regulation.

XXIV. Act XIV of 1859 (*to provide for the limitation of suits*), as amended by Act XIV of 1862, is hereby extended to the Province of Pegu, and shall take effect therein from the date on which this Act comes into operation in British Burmah in supersession of any law of limitation in force in the said Province. Provided that all suits pending in any of the Civil Courts in the said Province upon the date upon which this Act comes into operation in British Burmah shall, so far as regards the provisions in this Section contained, be tried and determined as if this Act had not been passed. Provided also that Clause 15 of Section 1 of the said Act XIV of 1859 shall not apply to any claim to foreclosure arising under any deed or instrument of mortgage of immoveable property in Pegu.

executed before the date aforesaid, but every such claim arising under any such deed or instrument shall, so far as the law of limitation is concerned, be governed by the laws or rules of limitation now in force in that Province.

XXV. Except as otherwise provided in this Act, the powers vested in the Sudder Court by the Code of Civil Procedure shall be exercised in British Burmah by the Chief Commissioner.

XXVI. Except as provided in Section XX of this Act, the Stamp Duties prescribed by Schedule B annexed to Act X of 1862 (*to consolidate and amend the law relating to stamp duties*) for Instruments and Writings in the Sudder Court and the Courts subordinate to the Sudder Court shall be chargeable on Instruments and Writings in the Court of the Chief Commissioner and the several Courts subordinate to the Chief Commissioner.

XXVII. The local jurisdiction of a Deputy Commissioner shall be deemed a District for the purpose of this Act, and the Court of such Deputy Commissioner shall be deemed the District Court within the meaning of the Code of Civil Procedure.

XXVIII. This Act shall come into operation on the 1st day of May 1863.

Depty. Secy. to the Govt. of India,

THE following Act of the Governor General of India in Council, received the assent of His Excellency the Governor General on the 15th January 1863, and is hereby promulgated for general information :—

Act No. II of 1863.

An Act to regulate the admission of Appeals to Her Majesty in Council from certain Judgments and Orders in Provinces not subject to the General Regulations.

WHEREAS it is expedient to regulate the admission of appeals to Her Majesty in Council from certain judgments and orders in Provinces not subject to the General Regulations ; It is enacted as follows :—

I. If a party in a suit is desirous of preferring an appeal to Her Majesty in Council from any final judgment, decree, or order made on appeal or revision by the Court of highest Civil jurisdiction in any Province in British India not subject to the General Regulations, or from any such final judgment, decree, or order made in the exercise of original jurisdiction by the said Court, in any case in which the sum or matter at issue is above the amount or value of 10,000 Rupees, or in which such judgment, decree, or order shall involve, directly or indirectly, any claim, demand,

or question to or respecting property amounting to or of the value of 10,000 Rupees, or from any other final judgment, decree, or order made either on appeal or otherwise as aforesaid, when the said Court shall declare that the case is a fit one for appeal to Her Majesty in Council, such Court shall admit such appeal subject to such rules and orders as shall be in force, or shall from time to time be made in that behalf by Her Majesty in Council in respect of such appeals from Her Majesty's High Courts of Judicature in British India.

II. It shall further be lawful for such Court, at its discretion, upon the petition of any party who considers himself aggrieved by any preliminary or interlocutory judgment, decree, or order of such Court in any such proceeding as aforesaid (not being of Criminal jurisdiction), to grant permission to such party to appeal against the same to Her Majesty in Council, subject to such rules, regulations, and limitations, as shall be in force, or as shall from time to time be declared by Her Majesty respecting appeals from final judgments, decrees, and orders, of Her Majesty's said High Courts of Judicature.

III. On the admission or permission of the appeal by the Court as hereinbefore provided, the Court shall forthwith cause notice to be given to the other party, that the appellant has preferred an appeal to Her Majesty in Council.

IV. The Court, if applied to, may either order the judgment or determination appealed against to be enforced, taking sufficient security for the performance of such order or decree as Her Majesty in Council may make on the appeal ; or it may direct, on similar security being found, that no order for enforcing the judgment or determination shall be issued pending the appeal, and that, if any such order has been issued, it shall, so far as it has not been executed, be suspended.

V. In either of the cases mentioned in the last preceding Section, the Court shall require the appellant to find security for the payment of such costs as it may think likely to be incurred by the appeal.

VI. If a party who is desirous of preferring an appeal to Her Majesty in Council in any of the cases mentioned in Section I or Section II of this Act, shall require the assistance of the said Court for obtaining security from the other party for staying execution of the judgment, decree, or order, that has been passed, or for any other purpose, he shall present his petition to the said Court within six calendar months from the date of the judgment, decree, or order appealed against.

VII. If at any time pending an appeal under this Act, the security taken from either party appears inadequate, whether from the increase or improvement of the property forming the subject of appeal, or from the insufficiency of the securities, the Court before which the appeal is pending may, on the application of the other party, require further security.

VIII. In default of such further security being found, if the original security was furnished by the appellant, the Court may issue an order for enforcing the judgment or determination appealed against as if no such original security had been given; and if the original security was furnished by the respondent, the Court, so far as may be practicable, shall compel him to deliver up the property forming the subject of appeal, which shall be disposed of in conformity with such of the rules in force as may be applicable to the particular case.

IX. In every case of appeal under this Act the Court shall certify and transmit to Her Majesty in Council under the seal of the Court, two true and correct copies of all evidence, proceedings, judgments, decrees, and orders had or made in the case appealed, so far as the same have relation to the matters of appeal, together with a copy of the reasons given by such Court for or against the judgment or determination appealed against.

X. The expense of preparing the two aforesaid copies, and of translating into English so much of the original documents as may not be in that language, shall be defrayed by the party prosecuting the appeal.

XI. The Court shall cause the deposit by the appellant, within the time allowed for furnishing security for costs of appeal, of such a sum as shall be sufficient to cover the expense of making the two aforesaid copies, and when such deposit shall have been made, and not till then, to declare the appeal admitted, and to give notice thereof to the appellant and respondent respectively.

XII. Either party, on application, may obtain one or more authenticated copies of any of the papers in the suit on paying the reasonable expenses incurred in preparing them.

XIII. Either party, in like manner, may obtain an authenticated copy of any local regulation or law which he may require in the appeal.

XIV. The orders or decrees of Her Majesty in Council, when duly certified, shall be enforced and executed, under the directions of the said Court, by the Judge or Officer by whom the suit was originally tried, in the manner and according to the rules and laws applicable to the execution and enforcement of original orders or decrees made by such Judge or Officer.

XV. Any party desirous of enforcing or obtaining execution of any such decree or order made in appeal as aforesaid, shall present a petition for that purpose to the Court which made the first decree or order appealed from, and the said petition shall be accompanied by a certified copy of the decree or order made in appeal, and sought to be enforced or executed.

XVI. An appeal shall lie from any decree or order made by such last-mentioned Court relating to the enforcement or execution of any such decree or order made in appeal as aforesaid in the same manner and subject to the same laws, rules, and regulations as an appeal from an order or decree made upon a petition for the enforcement or execution of the decree or order first appealed from, would have been.

XVII. Nothing herein contained shall be construed so as to prevent the said Court of highest Civil jurisdiction from enforcing or obtaining execution of a decree or order made or passed by Her Majesty in Council, if Her Majesty in Council shall think fit to decree or order the said Court to enforce or execute the same.

XVIII. Nothing in this Act contained, shall be understood to bar the full and unqualified exercise of Her Majesty's power as to receiving or rejecting appeals. and she may consider inadmissible, or in receiving any she may judge inadmissible.

XIX. The words "British India" denote the Territories which are or may become vested in Her Majesty by the said Statute 21 and 22 Vic. c. 106, entitled "An Act for the better Government of India."

M. WILK,
Depty. Secy. to the Govt. of India,
Home Department.

The following Act of the Governor General of India in Council received the assent of His Excellency the Governor General on the 15th January 1863, and is hereby promulgated for general information.

Act No. III. of 1863.

An Act to amend the Law for regulating the Police of the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca.

WHEREAS it is expedient to amend the law for regulating the Police of the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca; It is enacted as follows:—

I. Section III of Act XLVIII of 1860 (to amend Act XIII of 1856, for regulating the Police of the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca) shall cease to have any effect in any of the said Stations from the time when this Act shall come into operation, provided that nothing in this Section shall be held to revive the operation of Section XV of the said Act XIII of 1856.

II. No person shall be enrolled a member of the Police Force in any of the said Stations who shall not sign a declaration, in the form provided in the Schedule to this Act, that he will serve as a member of such Force for such period, not exceeding five years, as shall be fixed by the

Commissioner of Police of such Station acting under the orders of the Governor of the said Settlement; and no person who shall have signed such declaration shall be at liberty to resign his Office, or to withdraw himself from the duties thereof, except with the permission of the Governor of the said Settlement, to be granted on a Certificate of ill health from a Medical Officer of Government, or on a special recommendation of such Commissioner of Police. Provided that nothing in this Section shall interfere with the power of such Commissioner of Police, under Section X of the said Act XIII of 1856, to suspend or dismiss any member of the Police Force whom he shall think remiss or negligent in the discharge of his duty, or otherwise unfit for the same.

III. Every member of the Police Force in any of the said Stations who shall have signed the declaration hereinbefore mentioned, and who shall desert or withdraw himself from such Police Force, by absenting himself from duty without reasonable excuse for a period exceeding twenty-four hours, or otherwise, shall, on conviction before a Magistrate, forfeit all arrears of pay and allowances that may be due to him at the time of such desertion or withdrawal, and be liable to a fine not exceeding six months' pay and allowances, and on failure of payment thereof to imprisonment, with or without hard labor, for a period not exceeding one month if such fine be not sooner paid; or to imprisonment, with or without hard labor, for a period not exceeding three months; or to both fine and imprisonment.

IV. Whoever in any of the Stations of the Straits Settlement, has, or keeps, any Hotel, Tavern, Punch-house, Ale-house, Arrack or Toddy-shop, or place for the sale or consumption of Gunja, Chundoo, or other preparation of Opium, Hemp, or other intoxicating drug, plant, or substance, or any Eating-house, Coffee-house, Boarding-house, Lodging-house, or other place of public resort and entertainment, wherein provisions, liquors, or refreshments are sold or consumed (whether the same be kept or retailed therein or procured elsewhere), without a license from the Commissioner of Police of such Station, shall be liable to a fine not exceeding twenty-five Dollars for every day that such unlicensed house or place of any kind is kept open, or that such unlicensed sale is continued; provided that nothing in this Section shall apply to the sale, in reasonable quantities, of any drug, plant, or substance in any Druggist's or Chemist's shop for medicinal purposes only.

V. The Commissioner of Police in each of the said Stations shall, from time to time, grant licenses to the keepers of such houses or places of public resort and entertainment as aforesaid in the said Stations respectively, and upon such conditions, to be inserted in every such license, as he, with the sanction of the local Government, from time to time, shall order, for

securing the good behaviour of the keepers of the said houses or places of public resort and entertainment, and the prevention of drunkenness and disorder among the persons frequenting or using the same, and the said licenses may be granted by the said Commissioner for any term not exceeding

one year; provided always, that it shall not be lawful for the said Commissioner to grant a license to open, or establish, or keep open any house of public entertainment in which any provisions, liquors, or refreshments of any kind, or in which any Gunja, Chundoo, or other preparation of Opium, Hemp, or other intoxicating drug, plant, or substance may be sold or consumed to any person who has not taken out a license for the retail sale of such articles, if a license be necessary, under the Abkarry or Excise Laws for the time being in force; and any such license granted by the Commissioner shall become void whenever the license necessary under the Abkarry or Excise Laws shall terminate or be recalled. And every holder of such license may be required by the Commissioner to fix in a conspicuous part of the house or place specified in the license, a board, on which shall be legibly painted, in the English and Vernacular languages, the name of the holder, and the articles he is licensed to deal in. For every license granted under this Section there shall be levied a fee of one Dollar.

VI. No. 62 of 1862.

A Bill to authorize the extension of the term of Office of the Municipal Commissioners in the Settlement of Prince of Wales' Island, Singapore, and Malacca.

WHEREAS it is expedient that power should be given for extending the term of Office of the Municipal Commissioners in the Straits Settlement; It is enacted as follows:—

I. Sections XI, XII, XIII, XVIII, and XIX of Act XXVII of 1856 (for appointing Municipal Commissioners, and for levying rates and taxes in the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca), are repealed.

II. The Municipal Commissioners of Prince of Wales' Island, Singapore, and Malacca respectively, shall henceforth, from the time of the next election, hold their Office for one, two, or three years, as shall be determined from time to time in manner hereinafter mentioned.

III. The Governor of the Settlement shall, upon the appointment of the Commissioner, whom he is empowered by the said Act XXVII of 1856, Section V to appoint, declare for what number of years, not exceeding three, such Commissioner shall hold Office.

IV. At the time and place appointed for the election, the Sheriff or his Deputy shall attend with a closed box with an opening for the reception of voting tickets; every voter shall state in a voting ticket, which shall be signed by him, the name of the person or persons, not exceeding three, for whom he wishes to vote, and for what number of years, not exceeding three, he wishes that the elected Commissioners shall hold Office.

V. Every voter shall attend personally at the place of election, and shall deliver his voting ticket to the Sheriff or his Deputy who, on being satisfied that the person tendering the ticket is on the list of persons qualified to vote, and that the ticket tendered conforms with the provisions of the preceding Section, shall deposit such voting ticket in the closed box.

VI. As soon as the elections shall be completed, the Sheriff or his Deputy shall publicly, at the place of election, ascertain the names of the persons for whom votes shall have been given, and the number of votes given to each person, and shall also ascertain for what

term of Office each voter shall have voted; and he shall thereupon publicly declare the names of the several persons for whom votes shall have been given, and the number of votes given for the said terms of one, two, or three years respectively; and he shall declare that the persons not exceeding three, for whom the greatest number of votes, exceeding ten, shall have been given, are duly elected Municipal Commissioners of the Station; and that the term of their holding Office is the term of years in favor of which the greatest number of votes shall have been given, if such number of votes shall exceed ten. If such greatest number shall not exceed that number, he shall make no declaration as to the term of holding Office.

VII. In case there shall be an equal number of votes for any two or more terms of service, or in case the highest number of votes given for the term which has most votes shall not exceed ten, the Governor, or in his absence from the Station at which such election is being held, the Resident Councillor, shall declare for which of the said terms of service the elected Commissioners shall hold Office.

VIII. Every Commissioner appointed under the provisions of Sections XV, XVI, and XVII of the said Act XXVII of 1856, shall serve for the term or the residue of the term, as the case may be, which shall have been declared as aforesaid by the voters, or by the Governor on their failure to do so.

IX. The names of the elected persons and the term of service ascertained and declared by the Sheriff or his Deputy as aforesaid shall forthwith, after the election, be certified by him to the Resident Councillor of the Station.

X. The names of the appointed and elected Commissioners and of the term or terms (as the case may be) of Office shall be published in such manner as the Governor may direct.

XI. This Act shall be read and taken as part of the said Act XXVII of 1856.

STATEMENT OF OBJECTS AND REASONS.

On the representation of the Municipal Commissioners of Singapore supported by the Governor of the Straits Settlement, the Government of India consented to the preparation of a Bill for amending the Municipal Act XXVII of 1856 (for appointing Municipal Commissioners, and for levying rates and taxes, in the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca) in respect of the period for which the Municipal Commissioners in the Straits Settlement hold Office. A Bill was accordingly prepared at the request of the Governor by the Honorable the Recorder of Singapore, and was transmitted to the Government of India, and is now submitted to the Council.

The following Bill was introduced into the Council of the Governor-General of India for the purpose of making Laws and Regulations on the 7th January 1863, and was referred to a Select Committee with instructions to make their report thereon in three weeks:—

No. 64 of 1862.

A Bill relating to the Emigration of Native Laborers to the Danish Colony of Saint Croix.

WHEREAS it is expedient to render lawful the emigration of laborers, being Native Inhabitants of British India, to the Danish Colony of Saint Croix, and to extend the provisions of Act XXXI of 1855 (relating to the emigration of Native Laborers to the British Colonies of Saint Lucia and Grenada) to the emigration of Native Inhabitants of British India who may emigrate to Saint Croix; It is enacted as follows:—

I. Act XIV of 1839, in so far as it renders liable to penalties every person who shall make with any Native of India, any contract for labor to be performed in the Danish Colony of Saint Croix, or who shall knowingly aid or abet any Native of India in emigrating from the Ports of Calcutta, Madras, and Bombay respectively, to the said Colony, is repealed.

II. All the provisions of Act XXXI of 1855, and of the Schedule thereto as modified by Act XLIX of 1860 (relating to Vessels carrying emigrant Passengers to the British Colonies) shall extend and apply to Native Inhabitants of the British Territories in India who shall emigrate to the Danish Colony of Saint Croix and that Act shall be read as if the words "or the Danish Colony of Saint Croix" had been inserted therein after the words "Saint Lucia and Grenada," or "Saint Lucia or Grenada," wherever those words occur in the said Act.

III. This Act shall take effect as to the said Colony of Saint Croix from the day when the Governor General of India in Council shall notify in the Calcutta Gazette that such Regulations have been provided and such measures taken as the Governor-General in Council deems necessary for the protection of such emigrants during their residence in the said Colony of Saint Croix and in respect of their return to India.

IV. All the provisions of Act XIX of 1856 (to enable the Governor-General of India in Council to suspend the operation of certain Acts relating to the Emigration of Native Laborers) shall apply to Emigration to the said Colony of Saint Croix.

STATEMENT OF OBJECTS AND REASONS.

THIS Bill has for its object to authorize emigration to the Danish Colony of Saint Croix and is drawn on the model of Acts XII and XLI of 1860, relating to emigration to Saint Vincent and Saint Kitts.

The Bill is based on negotiations between the British and Danish Governments which have resulted in the consent of the British Government to the extension of the system of emigration from British India to Saint Croix.

The following Bill was introduced into the Council of the Governor-General of India for the purpose of making Laws and Regulations on the 14th January 1863, and was referred to a Select Committee with instructions to make their report thereon in two weeks:—

No. 1 of 1863.

A Bill to give effect to certain provisions of a Treaty between His Excellency the Earl of Elgin and Kincardine, Viceroy and Governor-General of India, and His Majesty the King of Burma.

WHEREAS a Treaty has been negotiated between His Excellency the Earl of Elgin and Kincardine, Viceroy and Governor-General of India, and His Majesty the King of Ava and in the 4th and 8th Articles of the said Treaty it is stipulated and agreed as follows:—

Article 4th.—"When goods are imported into Rangoon from any British or Foreign Territory, and declared to be for export by the Irrawaddy river to the Burmese Territory, the English Ruler shall, provided bulk is not broken, and he believes the manifest to be true, charge on 1 per cent on their value, and if he so desires shall allow them to be conveyed under the charge of an Officer until arrival at Maloon and Moulmein. The Tariff value of goods shall be forwarded yearly to the Burmese Ruler. If such goods are declared for export to other territories and not for sale in the Burmese territories, the Burmese Ruler shall, if he believes the manifest to be true, not cause bulk to be broken, and such goods shall be free of duty.

Article 5th.—"Should the British Ruler within one year after the conclusion of this Treaty abolish the duties now taken at Thayet Mye and Tounghoo, the Burmese Ruler with a regard to the benefit of the people of his country will, if so inclined, after one, two, three, or four years abolish the duties now taken at Maloon and Tounghoo (in the Burmese Territory)."

And whereas it is necessary to give effect to the stipulations and engagements aforesaid by an Act to regulate the Duties of Customs at the port of Rangoon and elsewhere in conformity to such stipulations and engagements; It is enacted as follows:—

I. When any goods are imported into Rangoon from any British or Foreign Territory whether under bond or otherwise, and declared by the importer thereof to be for export by the Irrawaddy river to the Burmese Territory for sale therein, or for export through such territory for sale in other territories, such goods may be entered at the Custom House at Rangoon for such export and sale, and thereupon a duty of customs of one per cent *ad valorem* and no more, shall be charged, provided that bulk of such goods is not broken, and the Officer in charge of the Custom House is satisfied of the truth of the entry of such goods in the Manifest of the Vessel wherein such goods are brought to Rangoon.

II. Whenever any goods are entered at the Custom House at Rangoon under the last preceding Section such goods may be conveyed to Maloon and Moulmein under charge of an Officer to be appointed for the purpose and the Officer so appointed to the charge of such goods shall be held

to be a public servant within the meaning of Section 186 of the Indian Penal Code.

III. It shall be lawful for the Governor General of India in Council by a notification to be published in the Calcutta Gazette, to order the discontinuance of the duties now levied at Thayet Myo and Tounghoo, and subsequently, if he shall see fit, by a like notification to order that such duties shall be revived and re-imposed, and any order made and published under this Section shall have the force of law.

IV. This Act shall take effect from the time when the ratifications of the said Treaty are exchanged.

STATEMENT OF OBJECTS AND REASONS.

This Bill has been prepared to give legal effect to a provision in the recent Treaty with the King of Burmah, a copy of which accompanies this paper. A main object in the negotiation, was an improvement of the Commercial relations between the Province of British Burmah and the Kingdom of Burmah, and it is probable that this will be in considerable measure attained through the instrumentality of the Treaty. The 4th Article which provides for a reduction of duty to one per cent. in the case of goods imported into Rangoon for export up the Irrawaddy to the Burmese Territories, and for sale there or other Territories, (as for instance in China), will necessitate a modification of the Laws for the regulation of Customs Duties. This modification might have been introduced into the Consolidated Customs Bill now before the Council, but as that measure is intended for general application, it has been thought better to deal with the present exceptional case by a separate Bill.

Article 8 which contemplates the abolition of the frontier duties now levied at Thayet Myo and Tounghoo, also appears to require legislative provision, and a short Section is therefore added to authorize the Governor-General by notification to give effect to this part of the Treaty.

THE following Bill was introduced into the Council of the Governor-General of India for the purpose of making Laws and Regulations on the 14th January 1863, and was referred to a Select Committee with instructions to make their Report thereon in three weeks:—

No. 2 OF 1863.

A Bill to Improve the Administration of Civil Justice in the Settlement of Darjeeling.

Whereas it is expedient to improve the Administration of Civil Justice in the Settlement of Darjeeling; Preamble.
It is enacted as follows:—

I. Every decision or order passed by the Superintendent of Darjeeling in suits of the nature cognizable in Courts of Small Causes under Act XLIII of 1860, shall be final, and no appeal shall lie from such decision or order. Provided that it shall be competent to the Superintendent, if he shall think fit, to grant a new trial, if applied for, within the period of thirty days from the date of

the decision; but no new trial shall be granted unless the party applying for the same shall, with his application, deposit the amount for which judgment shall have been given against him, including the costs (if any) of the opposite party.

II. If in the trial of any suit any question of Law or usage having the force of Law, or the construction of a document affecting the merits of the decision, shall arise, on which the Superintendent shall entertain reasonable doubt, the Superintendent may, either of his own motion, or on the application of any of the parties to the suit, draw up a statement of the case and submit it with his own opinion for the decision of the High Court.

III. The Superintendent may proceed in the case notwithstanding a reference to the High Court, and may pass a decree contingent upon the opinion of the High Court on the point referred; but no execution shall be issued in any case in which a reference shall be made to the High Court until the receipt of the order of that Court.

IV. Cases referred for the opinion of the High Court shall be dealt with by two or more Judges of that Court.

V. The High Court shall fix an early day for the hearing of the case, and shall notify the same by a proclamation to be fixed up in the Court House of that Court.

VI. The parties to the case may appear and be heard in the High Court in person or by pleader.

VII. The High Court, when it has heard and considered the case, shall transmit a copy of its judgment, under the seal of the Court and the signature of the Register, to the Superintendent, and the Superintendent shall, on the receipt thereof, proceed to dispose of the case conformably to the decision of the High Court.

VIII. Costs, if any, consequent on the reference of a case for the opinion of the High Court shall be costs in the suit.

IX. In all suits other than those mentioned in Section I of this Act, in which the amount or value of the suit shall not exceed Rupees 5,000, an appeal from the decision of the Superintendent shall lie to the Judge of Dinapore, subject to the rules contained in the Code of Civil Procedure regarding regular appeals.

X. A special appeal shall lie to the High Court of Judicature at Fort William from all decisions passed in regular appeal by such Judge, on the ground of the decision being contrary to some Law or usage having the force of Law, or of a substantial error or defect in Law in the procedure or investigation of the

case, which may have produced error or defect in the decision of the case upon the merits, and upon no other ground, and such special appeal shall be subject to the rules contained in the Code of Civil Procedure regarding special appeals.

XI. In all suits heard and determined by the Superintendent in which the amount or value of the suit shall exceed Rupees, 5,000, a regular appeal to lie to the High Court, subject to the rules contained in the Code of Civil Procedure regarding regular appeals.

STATEMENT OF OBJECTS AND REASONS.

THE Bengal Government having, on the 22nd April last, represented to the Governor General in Council that no appeal was allowed from the decisions of the Superintendent of Darjeeling in Civil cases, and that it was desirable that the Judicial Administration of that Settlement should be placed under the Sudder Court, the Government of India in their reply dated the 22nd May entered into the consideration of the best mode of giving effect to the main object of the Bengal Government without unnecessarily adding to the business of the Highest Court of Appeal. It was stated to be the opinion of the Government of India that the jurisdiction of the Sudder Court, on its Civil side, should be confined as much as possible to settling disputed points of law and practice, or usage having the force of law, leaving the Court, as a rule, to exercise its appellate jurisdiction, in respect of questions of fact, in those cases only in which the amount or value of the property in dispute was comparatively large; and it was suggested that the administration of Civil Justice in Darjeeling "might be placed on a proper and satisfactory footing, if the Superintendent were vested with a final jurisdiction on points of both law and fact in all cases of the nature of those described in Section III, Act XLII of 1860, (the Small Cause Court Act), with power to grant a new trial subject to the provisions contained in Section XIII of that Act, and of stating a case to the Sudder Court under Sections XIV to XIX; and if in all other suits not exceeding Rupees 5,000 in amount or value, a regular appeal were allowed from the decision of the Superintendent to the Judge of Dinagepore, who on the Criminal side of his Court tries commitments of the Superintendent and hears appeals from his orders as Magistrate; and if in the regular appeals so decided by the Judge a special appeal were allowed from his decisions to the Sudder Court at Calcutta under the rules for the admission and decision of special appeals contained in the Code of Civil Procedure. In suits exceeding Rupee 5,000 in amount or value, the rule obtaining in the Regulation Districts might be followed of allowing a regular appeal from the decision of the Superintendent to the Calcutta Sudder Court."

It was also stated to be the opinion of the Governor General in Council that, simultaneously with the introduction of these measures, the Code of Civil Procedure, with any necessary modifications, might be extended to Darjeeling.

The Secretary of State in a Despatch dated the 14th August expressed his concurrence with the Government of India, but intimated his opinion that legislation to extend the jurisdiction of the High Court (the establishment of which he supposed then to have taken place) should be by the Council of the Governor-General.

The Bengal Government having since transmitted a draft Bill drawn in conformity to the views of the Government of India, this Bill, with a few modifications, is now submitted to the Council. The correspondence to which reference has been made will accompany this paper.

It is intended that the Code of Civil Procedure shall be extended to Darjeeling, so as to come into operation contemporaneously with this Bill when passed into a law.

No. 383.

The following Orders passed by the Right Hon'ble the Secretary of State for India are published for general information in continuation of the Notification No. 241, dated the 14th January

1862, published in the Calcutta Gazette of the 15th idem:—

Extract from the Secretary of State's Public Despatch No. 46, dated 31st May 1862.

PAPA. 2.—You will have learned from my Despatch to the Government of Bombay dated the 8th April last, No. 11, that, in connection with the Orders of that Government of the 26th November 1861, relative to the case of Public Officers who might take part in any Company formed for working the Gold Mines in the Dummul Hills, I stated that, "as a general rule, I see no objection to servants of Government holding shares in Mining or other Companies, having for their object the development of the resources of the country; and the only restriction I think it necessary to impose is that Public Servants shall take no part in the management of such Institutions, and shall not be employed in the Districts where the operations of the Company may be carried on."

3. With the exception of the concluding proviso that no Public Officer shall be employed in any District where any Company in which he holds shares may carry on its operations, the sentiments above expressed are in accordance with the opinions recorded by Earl Canning and the several Members of your Council, and, as I think it important that this condition should be maintained, I have to direct that my decision, communicated in the terms above quoted to the Government of Bombay, may be made generally applicable, and may be published for general information.

4. There can be no doubt as to the great evil of Public Servants in India engaging in speculations in the Public Funds, or in the shares of Joint Stock Companies; but I agree in the opinion of Lord Canning that such a practice on the part of any Officer could not long escape the knowledge of Government, and that it would be in the power of Government to mark its sense of such conduct either by withholding promotion, or in any other way it might deem fit.

Extract from the Secretary of State's Revenue Despatch No. 22, dated 25th November 1862.

PAPA. 3.—In your letter of the 8th May (No. 10) you request to be informed whether a Covenanted Civilian may hold shares in a Joint Stock Company formed for agricultural purposes, such as Tea or Coffee cultivation, in his own Presidency. This question is sufficiently answered in my Public Despatch of the 31st May (No. 46) 1862, which you would have received shortly after the date of your reference.

4. As regards the question whether a Covenanted Madras Civilian may hold land in Mysore, Coorg, Cochin, or Travencore, I agree with your Government in viewing with disapproval the holding by Covenanted Civil Servants of lands in Native States, and I consider that the same objection applies to the holding of such lands by Military Officers in the actual Service of the Crown in India.

5. The right of Officers, Civil or Military, to hold shares in the agricultural Companies operating in Native States may be regulated by the same Rules as apply to their holding shares in similar Companies within the British Territories.

**Circular Order of the Board of Revenue,
L. P.**

No. 1.

Dated 9th January 1863.

**TO ALL COMMISSIONERS AND DISTRICT OFFICERS.

In continuation of Circular Order No. 63, dated

14th October last, a copy of the correspondence, noted on margin, is herewith forwarded for the information and guidance of Local Officers.

and
E. T. TREVOR, } Esqrs.

To Government dated 25th
November, No. 378.
From Government dated 12th
December, No. 3394.

2. The following will be substituted by hand for the first part of Supplementary Rule F. down to the words "Advertisement at the Collector's Office." The rest of the Rule will stand as it is:—

"Sales shall be held on the 2nd of each month, or on the 1st day after that date on which the Collector's Office may be open, unless the Collector shall, with the sanction of the Commissioner, for special reasons, fix a later date in the month. When for any reason a sale is deferred from the date originally fixed in the Advertisements notice of the date to which it is deferred will be given by an Advertisement at the Collector's Office."

3. With reference to paragraph 2 of the Government Order 3394, the attention of Commissioners is called to Circular No. 65A., dated 6th November last. In the meantime they will exercise the discretion vested in them by this paragraph, and with this view it is directed that, until the Registers of Reserved Lands are prepared and published, Collectors shall report, for the orders of Commissioners (and the Superintendent of Darjeeling for the orders of the Board), full particulars of all applications which may be made for lands on which Teak or Saul Timber stands.

By Order of the Board of Revenue, Lower Provinces,

H. L. DAMPIER,
Secretary.

No. 378.

FROM H. L. DAMPIER, Esq.,

Secretary to the Board of Revenue,

TO THE OFFG. SECY. TO THE GOVT. OF BENGAL.

Fort William, the 25th November 1862.

Land Revenue.

SIR,—I AM directed by the Board of Revenue to report on a letter from the Secretary to the Landholders' and Commercial Association, to your address, dated 3rd instant, as required by your endorsement No. 2787 of the 13th instant.

2. The Association has, in the opinion of the Board, shewn good cause for an alteration in Supplementary Rule F. With His Honor's sanction the Board will modify the Rule and direct that sales be held on the 2nd of each month, or on the first day after that date on which the Collector's Office may be open, unless the Collector shall, with the sanction of the Commissioner, for special reasons, fix a later date in the month, notification of which shall be given at least a month before the later date is fixed.

3. The second part of the letter of the Association prays for a modification of Supplementary Rule N. His Honor will observe that the Board have in this Rule adopted the expression made use

of in your letter No. 2383, dated 10th ultimo directing the present reservation of "all forest lands, that is to say, lands on which valuable Timber is growing." The arguments advanced by the Association are of much weight and a strict adherence to Supplementary Rule N. as it stands, which interfere to a considerable and unnecessary extent with the immediate allotment of grants. But there is an obvious difficulty in laying down any general Rule defining what lands shall be reserved as being covered with "valuable" Timber until the Local Officers have drawn up their Registers of Waste Lands after full local enquiry. The Superintendent of Darjeeling has already addressed the Board on this difficulty. They recommend that, until the Registers be prepared, a discretion be left to the Commissioner (and in Darjeeling to the Board) to sell land, although covered with the more valuable description of Timber, on their being satisfied that the reservation of the tracts in question is not necessary for the object which the Government have in view.

4. Mr. Grote is of opinion that the guarantee held out by Rule 22 of the Government Notification of the 30th August last does not admit of any exceptional treatment under Supplementary Rule N. of lands which have been applied for, and for which the applications have been duly registered under the Resolution of the Government of India, dated 17th October 1861. His colleagues, however, are clearly of opinion that paragraphs 23 and 24 of the Resolution of the 17th October 1861, and Rule 21 of the Notification of the 30th of August last, leave the Government free to reserve any required land under whatever Rules it may have been applied for.

5. The enclosure of your endorsement is returned.

I have, &c.,

No. 3394.

FROM THE OFFG. SECY. TO THE GOVT. OF BENGAL,

TO THE SECRETARY TO THE BOARD OF REVENUE.

Fort William, the 12th December 1862.

Revenue.

SIR,—I AM directed to acknowledge the receipt of your letter No. 378, dated the 25th ultimo, submitting the Board's report on the letter from the Secretary to the Landholders' and Commercial Association, dated the 3rd idem, taking exception to the conditions F. and N. of the Board's Supplementary Rules for the sale of unassessed Waste Lands. With reference to your 2nd paragraph I am to state that the Lieutenant-Governor agrees with the Board in the opinion expressed therein and directs that Rule F. may be modified so as to provide for monthly sales.

2. As regards the question of reserving forest lands I am to request that the Board will be good enough to direct the Local Officers to lose no time in submitting a List of the lands which they propose to reserve under Rule 21 of the New Rules. In the meantime the Lieutenant-Governor is pleased to vest the Commissioners generally, and the Board in the case of Darjeeling, with powers to say what are and what are not lands covered with valuable Timber. His Honor is of opinion

that for the present the best practicable definition of valuable Timber forests is forests of Teak or Saul, that is to say, lands in which such trees abound, not tracts in which merely isolated trees or small isolated patches of trees are found, and forests of other Timber now actually valuable or marketable, that is to say, Timber for which there is a present demand.

8. Referring to your 4th paragraph the Lieutenant-Governor concurs entirely with the majority of the Board in considering that there is nothing contained in Rule 22 of the Notification of 30th August last which renders the reservation of forest lands a matter of difficulty when applications for such lands have been registered under the Resolution of 17th October 1861. Rule 22 simply provided that applications registered under that Resolution would be dealt with in the spirit of the Resolution, one of the express conditions of which was that forest, fuel, and grazing reserves were not to be sold; and, as shewn by the majority of the Board, the 21st of the New Rules provides for the exceptional treatment of such lands.

• I have, &c.,
